To the Hon Wm H. Hannaford Chancellor of the 1st District of the State of Mississippi

The Petition of James E. McGowan and Matilda A. Gowan respectfully his wife respectfully shows unto your Honor that about 4 years since the mother of the said Matilda departed this life leaving a new born infant daughter since called Margaret Elizabeth. That at the time of said mothers death the said Mother was the wife of M H Winburn of said County, and that upon the death of the said mother said infant child was taken charge of by Mrs Turner wife of George Turner who has continued to care for said child up to the present time. Your petitioner further that about 18 months after the death of said mother her husband the said M. H Winburn departed this life in said County & that said George Turner has applied for and obtained letters of guardianship of the property & person of the said infant Margaret E and that her property consists of about 40 head of stock cattle and a small undivided interest in the Real Estate and funds of the said M H Wi

burne Your petitioner further states and
avers that at the time said infant was taken
by said Turner & wife it was generally sup-
posed & understood that it was to be taken as
an act of charity & humanity without any
intent to charge them for but that since the
death of said Winburn the said Turner has
presented a claim against his Estate for the
sum of $180 per year & attempts to retain
on said child. which the administrator
has refused to allow. and that said
Turner has exhibited a disposition
to charge for every little service rendered
to his said Ward & her property in such
a manner as will soon exhaust her little
property. Your petitioner further shows
that neither said Turner nor his wife are related
to their said Ward and that they live in
a poor and sparsely settled neighborhood
where there are no advantages for schooling
& that she has not the means of going
from home to school and that if she remains
in her present location she must grow up
without the means of education and they
further represent that from the thinly
populated neighborhood in which she lives
said child must grow up without any ad-
vantage of society suitable to her birth and

privilege and without any opportunity
of attending any preaching of the gospel
or receiving religious instruction and that
it is greatly to the interest of said Minor that
she should be removed to some locality where
she can have the benefit of society suitable
to her age and the means of intellectual
moral & religious instruction afforded her
Your petitioners further show that they
reside near the Town of Blake county of
the State of Mississippi and have the ad-
vantage of good society, good schools and
religious instruction. And that they are
willing and anxious to take charge
of said child & rear her in the comforts
appropriate to her sex & birth, and without
compensation for board or any thing that
can be procured without cost to them
and they therefore pray that said Minor
may be made a party defendant
to this petition and that he may be requir-
ed to appear at the next term of this court
and show cause why the prayer of your
petitioners should not be granted & that
citation may issue therefor & that upon
a final hearing your honor would re-
move said Minor from the guardianship
of the person & property of the said Mar-
garet E. Winborne & your petitioners will
pray.

Mrs Strickland,

In your book, "Who Married Who In Greene County, Ms", you list the wife of M. H. Winburn AS Mary Turner

Per my research & family history, this is not correct Montaville H Winburn was my great great grandfather. His wife was MARY WEEMS. The children that you list is correct. Attached is Documentation that proves that Mary was a Weems.

1) Petition of James. Matilda (Winburn) McKee

Seeking to become the guardian of Matilda's sister Margaret. This petition shows that the youngest child of M H Winburn's was raised from the age of 1 to 4 by Geog Turner & his wife. Mary Wesm Winburn died giving birth to the child. This document clearly states that Geog Turner and his wife are not kin to the child

2) Petitions of R.D Weems & W.N. Weems stating that they are the Uncle of M H Winburn's children on the Mother's side.

3) A copy of estate papers listing Margaret as a sister of the other Winburn children.

Plus, my grandmother always stated that her grandmother was Mary Weems. The confusion may have resulted since one of the children lived with the Tenners for a while. The petition fully explains this.

Incidentally, M. H Winburn apparently was one of the wealthiest people in Leakesville. He served as a 1 LT in the Confederate Army in the

41

James Warner Unit (24th Ins) from Leakesville He was later known as Colonel Winburn, but I have no proof that he ever was promoted hope than 1 LT. He owned app 2600 acres in & just South of the present Town of Leakesville. His wife died in 1871 and he died in 1872. Most of the Children lived with the Weems family in DeSoto, Ms, Clarke County. If you have any questions, please do not hesitate to write. The estate papers of M H Winburn can be found in Jones

County Courthouse in the Chancery Clerk estate (court) files. It is case number one.
